**TOLERANCE**

Volcano, Hawaii - #47

Affectionate directors of loving effusion,

Your planet is poised on the fulcrum of tremendous change; however, free will determines the direction of its potential. Division must be replaced by unity for only together will planetary evolution actualize the supernal and resplendent purpose of the Supreme.

Toleration is a rudimentary step in the unfoldment of love; therefore, perfect this noble quality of mortality. Genuine tolerance always precedes the ability to love and originates in each heart until it becomes a natural essence that will evolve into social value. If you truly endeavor to recognize the divinity in one another, you will realize the triviality of externality. The beautiful bond of kinship will actualize the reality of universal brotherhood, and you will deeply desire the spiritual growth of all your earthly siblings through love. Criticism, derision, and violence are born in fear, yet your sincere realization of your divine eternity will set you free and enable you to cherish one another whenever His will reigns unencumbered in your heart.

The genesis of light and life on every planet has its causality in the intelligent comprehension of divinity and the enduring vitality of love. The brilliant beacons of exalted ideals will one day illuminate your shadowy sphere with the exquisite radiance of enlightened transformation that will shine brightly in the completeness of His love.
