SERVICE

Volcano, Hawaii - #29

Fervent couriers of loving revelation,

Your deepening intimacy with your divine origin is facilitating enormous expansion of universal harmony. Always be attentive to increasing your opportunities for service to your brethren ascenders. Be ever at the Father's disposal to anticipate the needs of others and be productive suppliers of the swelling demand for love.

Develop selfless sensitivity in the recognition of need so that you can become eradicators of the lingering residue of spiritual destitution. Sincere service manifests in infinite variety, and your intuitive compass of compassion will direct you toward those in need.

Continue to be ministers of divine comfort and loving assistance, and you will be the catalysts of accomplishment for His resplendent plan. Combine humility with tolerance, love with understanding, and sincerity with intention; and you will grow into total devotion to the Father, making His will indistinguishable from yours.

Your willingness to serve others is an eloquent demonstration of loyalty to our omniscient Architect of All Creation, and the powerful gravity of divine irresistible love will impel your destiny of ultimate coalescence with His sublime perfection.
