Sheldan Nidle (author of the bestselling, "You Are Becoming A Galactic Human" and "Your First Contact") presents timely information on the formation of Planetary Activation Groups, nodes of consciousness in the fast-growing global web of Light that will promote the restoration of humanity to full consciousness. The Planetary Activation Organization is creating a global network of consciousness dedicated to developing the tools needed to bring about a fully-conscious society.

You will learn:

- The role of the Planetary Activation Organization (PAO)
- How to form Planetary Activation Groups (PAGs)
- The significance of the global web of Light
- The coming role for Galactic Adventure Centers
- The three easy-to-apply principles of Fluid Group Dynamics™

The ascension shift that lies within reach is full of concerns clouded in uncertainty. This books helps to clarify these issues and shows you how to create a light network that is solution-focused and self-organizing and that points the way toward the restoration of your full consciousness.
