
YOUR FIRST CONTACT SHIPPING NOW!

Since childhood, Sheldon Nidle (author of the bestselling, "You Are Becoming a Galactic Human") has had access to vital information regarding Earth's hidden history and amazing data on extraterrestrial science, culture and spirituality. Now, as the End Times for great changes approach, he is able to share this new knowledge with you for the first time. "Your First Contact" will take you on an amazing journey into Earth's past, present and future. It will give you a comprehensive overview of your off-world origins, your true purpose and your spiritual destiny.

In these pages, you will discover:

- How your First Contact will actually occur
- Why your RNA/DNA is changing from 2 strands to 12
- What role Star Beings play in your evolution
- How Earth and the solar system will evolve
- Why your ascension into a fifth-dimensional being is at hand

"Your First Contact" describes where we came from, why we're here, and where we are going in this vast experiment in consciousness. Join our Sirian tour guides for the ultimate E-ticket ride of your life.
