## PHASES OF THE CORRECTION TIME

Volcano, Hawaii - #13

Dear friends,

Your private and personal expressions of appreciation are well received, and I thank you for your willingness and openness. As always, my deep concern is for your continued development and increased understanding. There are multiple phases that comprise the correction event now unfolding on Urantia, and your conception of the initial four phases will enlarge your vision of the essential role you must perform.

The first of these stages regards the manifold deployment of personal and group teachers that have volunteered their loving service and who are involved in the transformation preparation of mortals in ways that are both obvious and concealed to you. Their presence is now acknowledged to some and unceasingly becoming evident to others. The task they have embarked upon is a segment of what some of your associates call the Teaching Mission, and this involves the regeneration of spiritual values on individual levels.

This second phase is exceedingly significant and of great consequence to subsequent stages of transformation that will eventualize on your planet. All my previous and future lessons will give emphasis to this indispensable and profound shift of perception to enhance your inner sense of right direction. This reprogramming of unconscious personal beliefs that block fuller awareness of your potential is vital to transition into Phase Three which involves a massive and collective change in basic assumptions. It will involve vast populations and bring about an unprecedented speed of conversion that is inconceivable to you now. There will be a major shift in the interpretation of reality and an assimilation of spiritual and intellectual knowing that will enable a commitment to a shared vision by communal methods. You will be the progenitors that enable this stage of our assignment to be actualized, and it will be after this segment of progression that the expertise of the Melchizedeks will be employed to bring about the fullest development of man's highest powers. This fourth phase of transformation will impart profound wisdom that will overcome complex problems of uncertainty and usher the collective consciousness on a rapid track towards light and life.

There are many more stages to this vast undertaking; however, these phases of progression have been conveyed to place emphasis on the importance of self-development. These events will not come in orderly succession; and just as individual progression occurs at varied rates, these phases will at times appear concurrently and singularly but will eventually consummate into transcendent meaning.

When Christ Michael assumed mortal form and walked on Urantia, there were many unaware of His presence. Your seemingly small steps will foster the transitions needed to precede each stage of world-wide correction. It gives me tremendous joy to provide you with affectionate influence in devotion to the Father.

It is my desire in this conveyance to help you comprehend the profound importance of your daily struggles towards perfection as it will be fundamental and inherent to the divine plan and our loving progression towards the First Source and Center.
